Motley Crue

I, I'm feeling rot
I'm feeling rotten today
I guess I forgot
I am shot, I'm not okay So long to pain
So long to games
So long say, goodbye Someone tell me why I'm feeling cold inside
Do I wanna, do I wanna die
Someone tell me why it's building up inside
Do I wanna die and kiss it all goodbye I'm a sinking ship
On a sea of bliss, I'm not okay
I I'm blind to this
Is this just a test to help me see So long to you
So long to me
So long say goodbye Someone tell me why I'm feeling broke inside
Do I wanna, do I wanna die
Can you tell me why it's building up inside
Do I wanna die, kiss it all goodbye You're the reason I would live
I hope that you can give me this You're the reason So long to pain
So long to games
So long say goodbye Can you tell me why I'm feeling dead
Do I wanna, do I wanna die
Someone tell why, it's building up inside
Do I wanna die, kiss it all goodbye
