

Hey Girl

Them

Let's go walking where the boats go by
And watch them sail across the bay
Let me hold your hand in the morning fog
Little child I want to walk your dogHey, hey girl
Hey, hey girl
You're so young
I don't know what to doAnd let's go walking up that mountain slope
And look down on the city down below
I will make a fool of youHey, hey girl
Hey,hey girl
You're so young
You make me lose my mind
