Before The Hangman's Noose

DevilDriver

It's...a good...day...to fucking die
A good day...a fucking good day
A good day...a fucking good day...to dieTruth be told, the water looks cold
And the trees fly by as we drive
The sun goes down
Sometimes I wanna stay
Sometimes I wanna leave
Sometimes I gotta rideRiding this rail I know what i'm on
But not now what i'm in for
The train to nowhere seems to never end
As far as I can tell...HELLBefore all hell breaks loose
Before the Hangmans Noose
And as the sun goes down
I'll say
It's a good day to die, a good day to die
Before the Hangmans Noose
I'll say
It's a good day to die, a good day to dieNo more stops, time to punch your ticket
This time the ride is one way
I can see a shadow of a man
And man he's coming my wayRiding this rail I know what i'm on
But not now what i'm in for
The train to nowhere seems to never end
As far as I can tell...HELLBefore all hell breaks loose
Before the Hangmans Noose
And as the sun goes down
I'll say
Its a good day to die, a good day to die
Before the Hangmans Noose
I'll say
Its a good day to die, a good day to dieThis day will be mine
This day will be mine
This day will be...MINE!x3SHIT!Before all hell breaks loose
I'll say
Before the Hangmans Noose
I'll say
It's a good day to die, a good day to die
Before all hell breaks loose
I'll say

This day will be mine...
This day will be mine!
Before all hell breaks loose
It's a good day to die.
