

# Don't Cry for Me

TINI

I had my fair share of the good and the bad  
I had my fair share of the happy and sad  
Those broken pieces that I can't put back  
Make up who I really am So I live my whole life like there ain't no sequel  
I dance on fine lines between good and evil  
I play with fire to protect my people  
But look back and smile in the end When it's my time to go  
Mama don't cry for me, don't cry for me oh no  
'Cause I know where I'm going  
So mama don't cry for me, don't cry for me  
When it's my time to go  
Mama don't cry for me, don't cry for me oh no  
'Cause I know where I'm going  
So mama don't cry for me, don't cry for me  
And when I'm not there, have a drink for two  
No need to think twice, I'll be there with you  
Here's to the good times and the tears we've shared  
Look back and smile in the end When it's my time to go  
Mama don't cry for me, don't cry for me oh no  
'Cause I know where I'm going  
So mama don't cry for me, don't cry for me  
When it's my time to go  
Mama don't cry for me, don't cry for me oh no  
'Cause I know where I'm going  
So mama don't cry for me, don't cry for me Stare at the constellations you'll see my face  
And if you pay attention you'll hear me say  
Stare at the constellations you'll see my face  
And if you pay attention you'll hear me say  
When it's my time to go  
Mama don't cry for me, don't cry for me oh no  
'Cause I know where I'm going  
So mama don't cry for me, don't cry for me  
Yeaheah  
When it's my time to go  
Mama don't cry for me, don't cry for me oh no  
'Cause I know where I'm going  
So mama don't cry for me, don't cry for me
