Plastic

Portishead

I wonder why I don't know what you see
Of course I care, I won't pretend
It's just a thought, I've said enoughDon't you know life turns me, always wants me?
I can hardly prayI could try but don't know what you hear
'Cause in my heart you were so clear
It's just a thought, I've said enoughDon't you know life turns me, always wants me?
I can hardly prayOn your stage a show that you create
All by yourself, I am nowhere
You never noticed, you were so sureDon't you know life turns me, always wants me?
I can hardly pray
