Torches

X Ambassadors

Bring on your forces of nature
Bring on the storm that's raging
And if you get lost in the shadows
There's a fire inside you
Be the light that guides youCome on, carry your flame
Carry it higher
Leave it in the darkness
Carry your torches
Come on, carry your flame
Set the night on fire
Leave it in the darkness
Carry your torches
Bring on your bows and arrows
Bring on your plagues and pharaohs
Cause if you get lost in the shadows
There's a fire inside you
And you know that I'll find youCome on, carry your flame
Carry it higher
Leave it in the darkness
Carry your torches
Come on, carry your flame
Set the night on fire
Leave it in the darkness
Carry your torchesTorches
Torches
Torches
Torches
Ooh
Come on, carry your flame
Carry it higher
Leave it in the darkness
Carry your torches
Come on, carry your flame (torches)
