

Rainbow Eyes

Blackmore's Night

She's been gone since yesterday

Oh I didn't care

Never cared for yesterdays

Fancies in the air

No sighs or mysteries

She lay golden in the sun

No broken harmonies

But I've lost my way

She had rainbow eyes

Rainbow eyes

Rainbow eyes

Love should be a simple blend

A whispering on the shore

No clever words you can't defend

They lead to never more

No sighs or mysteries

She lay golden in the sun

No broken harmonies

But I've lost my way

She had rainbow eyes

Rainbow eyes

Rainbow eyes

Summer nights are colder now

They've taken down the fair

And all the lights have died somehow

Or were they ever there

No sighs or mysteries

She lay golden in the sun

No broken harmonies

But I've lost my way

She had rainbow eyes

Uuuuh, uuh
