

# Backwards Curse Words

## Smosh

There's a problem we need to address  
The world is getting more and more PC  
To the point where people give us weird looks when we say curse words in public  
So we came up with a super clever way to say bad words without anyone knowing

All you gotta do  
Is say them backwards We love to say  
F\*\*\*, a\*\* and s\*\*\*  
Motherf\*\*\*\*\* try to stop us  
But we just can't quit  
So any time  
You wanna say f\*\*\*  
Listen to us  
And we'll show you what's up Like what the kcuF  
I stepped in tihs  
Came out of the elohssa  
Of a dog who is a hctibMaddog  
KcuF this tihs  
These elohssa rekcufrehtoms  
Should stop being kcids  
Stop being gabehtuods  
Hctibs and tawts  
Now we say what we want  
So shut the kcuF up Walk up to some ladies  
With my kcid in my hand  
What? that's disgusting and creepy  
No, I get my kid on the weekends  
He's a really good kid  
I don't really get along with his mom very well though  
Ooh  
Let's try another example  
One time in college,  
I sucked a kcid  
What?  
This little boy got bitten by a rattlesnake  
And he was gonna die if I didn't suck the venom out  
Ooh  
But the snake bite was on his kcid!Maddog  
KcuF this tihs  
These elohssa rekcufrehtoms

Should stop being kcids  
Stop being gabehcuods  
Hctibs and tawts  
Now we say what we want  
So shut the kcufl up  
Maddog  
Kcufl this tihs  
These elohssa rekcuflrehtoms  
Should stop being kcids  
Stop being gabehcuods  
Hctibs and tawts  
Now we say what we want  
So shut the kcufl upGet ready for the  
WORST CURSE WORD EVER  
It can never just be said by  
WHOEVER  
We put together a solution that's  
QUITE CLEVER  
So we brought iiiiiiiiiin  
TREVOR  
Go ahead, say it  
Guys, it's not offensive if you say it backwards  
Yeah, I don't know  
I'm still not comfortable  
It's cool guys  
It's just, y' know there's a whole 'history' behind the word  
Yeah can you just say it, since you are one and it would be kinda wrong for me to say it  
Seriously guys?  
What's so bad about saying the word  
Bastard?  
So what if my parents weren't married?Maddog  
Kcufl this tihs  
These elohssa rekcuflrehtoms  
Should stop being kcids  
Stop being gabehcuods  
Hctibs and tawts  
Now we say what we want  
So shut the kcufl up  
Maddog  
Kcufl this tihs  
These elohssa rekcuflrehtoms  
Should stop being kcids  
Stop being gabehcuods  
Hctibs and tawts  
Now we say what we want

So shut the kcuf upWhat about the word tit?  
Oh, er that doesn't work because it's a palindrome  
Er, you can just say the word boob instead  
Also a palindrome  
Goddammit!  
I mean,  
Timmaddog
