Close to You (Instrumental)

Got A Girl

Holding by a string
Living life in my own way
Dancing alone in the dark
If you can see, don't ever stop meSilent sounds
Don't look right now
They can't hurt youBurn it down
Don't let it stop
Keep on movingOnce in a while I get lifted up feeling I'm so close to you
Maybe sometimes I feel silence and blind cause I'm so into you
Close to you
Life said illuminate
Falling again on my heart
So I'll never lose the beat
Drinking stars, the rhythm is oursSilent sounds
Feel it inside
They can't hurt youTime slows down
Don't let it stop
Keep on movingOnce in a while I get lifted up feeling I'm so close to you
Maybe sometimes I feel silence and blind cause I'm so into you
Close to youInching flowers in the rain
Following on, keeping time but
Don't ever lose the beat
To the sound that you heard before there were words
Morning sounds
Eternal affections
My heart is restlessBurn it down
Don't let it stop
Keep on movingOnce in a while I get lifted up feeling I'm so close to you
Maybe sometimes I feel silence and blind cause I'm so into you
Close to you
