

Slide (acoustic)

Goo Goo Dolls

Could you whisper in my ear
The things you wanna feel
I'd give you anythin'
To feel it comin'Do you wake up on your own
And wonder where you are?
You live with all your faultsI wanna wake up where you are
I won't say anything at all
So why don't you slideYeah, I'm gonna let it slideDon't you love the life you killed?
The priest is on the phone
Your father hit the wall
Your ma disowned youDon't supposed I'll ever know
What it means to be a man
It's somethin' I can't change
I'll live around itI wanna wake up where you are
I won't say anything at all
So why don't you slide
Ooh, slideAnd I'll do anythin' you ever dreamed to be complete
Little pieces of the nothin' that fall
Oh, May
Put your arms around me
What you feel is what you are
And what you are is beautiful
Oh, May
Do you wanna get married Or run away?And I'll do anythin' you ever dreamed to be complete
Little pieces of the nothin' that fall
Oh, May
Put your arms around me
What you feel is what you are
And what you are is beautiful
Oh, May
Do you wanna get married
Or run away?I wanna wake up where you are
I won't say anythingAnd I'll do anythin' you ever dreamed to be complete
(Yeah, slide)
Little pieces of the nothin' that fall
(yeah slide)
And I'll do anythin' you ever dreamed to be complete
(Yeah slide)
Little pieces of the nothin' that fall

(Oh, oh slide)
Yeah, slide between the sheets of all them beds you never knew
(Yeah slide)
Why don't you slide into my room
Just slide into my room
Oh, we'll run away, run away, run away
