I've Been Waiting

Matthew Sweet

When you said to me
"You are not so old"
Did I know it then?
'Cause I had just been told
I didn't think I'd find you
Perfect in so many waysBut I've been waiting
(Waiting)
And I want to
(Have you)
I've been waiting
(Waiting)
And I want toThe secret on your lips
That nobody knows
Gentle in your eyes
You can wear my clothes
I didn't think I'd find you
Perfect in so many waysBut I've been waiting
(Waiting)
And I want to
(Have you)
I've been waiting
(Waiting)
And I want to
(Have you)
I've been waiting
(Waiting)
And I want toWhen you said to me
"You are not so old"
Did I know it then?
'Cause I had just been told
You know I didn't think I'd find you
Perfect in so many waysBut I've been waiting
(Waiting)
And I want to
(Have you)
I've been waiting
(Waiting)
And I want to
(Have you)I've been waiting

(Waiting)
And I want to
(Have you)
I've been waiting
(Waiting)
And I want toI've been waiting
(Waiting)
I've been waiting
(Waiting)
I've been waiting
(Waiting)
I've been waiting
(Waiting)
No
