

Stay (Remix) [feat. Faith Evans]

Tyrese

Ooh baby
No one ever said it'd be easy baby,
Yeah, whoa, whoa, Yeah, girl I wanna take the time and thank you
Just for putting up with me
And I'm sorry, that you even had to deal with me
Even though I made you cry, I wanna make it right
Just give me some time to make it right
I go the extra mile to make you smile and
Just to make your day
I'll go out my way I'll do whatever it takes Baby promise you'll (stay, stay, stay)
Stay baby
Would you just stay (stay, stay, stay)
Stay with me (stay, stay, stay) stay
Baby won't you stay, with me? (stay, stay, stay) I know that I messed up over a thousand times
Said you wouldn't forgive me but somehow I changed your mind
And now that we're here, I just can't let you go
And I got you here, baby girl I gotta let you know
I go the extra mile to make you smile
And just to make your day
I'll go out my way I'll do whatever it takes Baby would you just stay (stay, stay, stay)
Stay baby,
Baby wont you stay (stay, stay, stay)
Stay right here with me (stay, stay, stay)
Baby stay with me (stay, stay, stay) Girl I need you in my world
I want you to always be my girl
Even though I messed up, ooh I messed up
You took good care, always took care of me Baby would you just stay (stay, stay, stay)
Stay right here (stay, stay, stay)
Stay baby wont you stay (stay, stay, stay)
Put the past down let's work it out baby
Stay stay baby (stay, stay, stay)
I want you to believe in me this time (stay, stay, stay)
This time this time, I'ma get it together (stay, stay, stay)
What about the marriage life (stay, stay, stay)
You were supposed to be my wife
Put them bags down at the door
I wont put you through it no more
