Romantic

Vyle

Oh
Baby, baby
I wanna get romantic
Oh
Turn the lights down
It's time to get romantic
Light a candle
It's time to get romantic
Let's be romantic
Take me in your arms, caress me gently
Oh, I can't get enough, oh
Thrill me, say the word, I will surrender
To your poetic charm, oh
'Cause when the night falls
I hear seductive voices sing
Romantic songs of love
Let's get intimate
Turn the lights down
It's time to get romantic
(Do everything romantic now)
Light a candle
It's time to get romantic
(The night has just begun, so baby, let's be romantic)
Kiss me, I feel waves of steamy passion
I'm burnin' with desire
Baby, free me from the heat, my heart's on fire
'Cause I still need your love
Under the moonlight
With the stars shining so bright
Baby, my mind is on love
When we get home tonight, oh
Turn the lights down (Oh, baby)
It's time to get romantic
(Do everything romantic please)
Light a candle
It's time to get romantic
(I wanna get, I wanna get, oh, romantic)
Turn the lights down (Turn the lights down low)
It's time to get romantic

(Do it, do it, do it, do it, oh, me and you)
Light a candle
It's time to get romantic
(Just into me romantically, yeah)
Just keep tellin' me, oh, baby
Sweet ecstasy, oh, yeah
Whenever we're all alone and
I got this burnin' flame that's in my heart
'Cause I don't ever wanna stop
Baby
Oh, yeah
Romantic
If you want romance
You got to work it every change you get
If you want romance
You got to work it, that's right
Oh, I, I, I, I
I wanna get romantic
Oh, oh
Oh, oh, yeah, yeah
Let's get romantic (Oh), now let's fall in love (Let's get romantic)
Make me surrender to your tender touch (Your tender touch)
Do you remember I can't get enough (Oh oh baby)
Love me, let's be romantic
Hey, you're lookin' so, so tender
It's time to get romantic
Just say the word I will surrender
Let's be romantic
All I need to say what would you like
It's time to get romantic
I'll give you my love, love, love, love, love
Let's be romantic (Oh, baby)
Turn the lights down (Turn the lights down low)
It's time to get romantic
(Do everything romantic now)
Light a candle
It's time to get romantic
