Invisible (ft. David Feldstein)

Marc Ferrari

Can you feel me standing next to you
I once was holding, now Im haunting you
Cause you never were satisfied were you?
Poor you, its never enough
Closeï»¿ your mind and I become Invisible
Poor you, its never enough
Close your mind and I become Invisible to you

Can you hear me calling out to you
Whispers clearly searching for the truth
I guess you never learned to compromise did you?
Poorï»¿ you, its never enough
Close your mind and I become Invisible
Poor you, its never enough
Close your mind and I become Invisible to you

Poor you, its never enough
Close your mind and I become Invisible
Poor you, its never enough
Close your mind and I become Invisible to you
