

Always

Michael Brecker

Shine bright like a diamond Find light in the beautiful sea
I choose to be happy
You and I, you and I
We're like diamonds in the sky You're a shooting star I see
A vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky I knew that we'd become one right away
Oh, right away
At first sight I felt the energy of sun rays
I saw the life inside your eyes
So shine bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
We're beautiful like diamonds in the sky Palms rise to the uni
As we, moonshine and molly
Feel the warmth we'll never die
We're like diamonds in the sky You're a shooting star I see
A vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky
At first sight I felt the energy of sun rays
I saw the life inside your eyes So shine bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
We're beautiful like diamonds in the sky Shine bright like a diamond 3x So shine bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky Shine bright like a diamond
