

# I'm Just a Man

[Jason Aldean](#)

I'm a blue collar man had a hammer in my hand  
For the last few years of my life  
Working double overtime while you sleep alone at night Baby, I know it's been a long hard ride  
Sometimes I forget to say I love you  
But baby please know that I do, yeah I live this life everyday, I make my share of mistakes  
And every lesson I've learned, I've learned the hard way  
I do the best that I can and I hope you understand  
After all, I'm just a man I found a postcard that you've saved  
That's turned yellow with age  
Of a beautiful place in the sun  
We've been saying every year That we're gonna go there  
And run away just the two of us  
Well I put that picture back on your dresser  
Grab my keys, I got to get back to work, yeah I live this life everyday, I make my share of mistakes  
And every lesson I've learned, I've learned the hard way  
I do the best that I can and I hope you understand  
After all, I'm just a man I live this life everyday, I make my share of mistakes  
And every lesson I've learned, I've learned the hard way  
I do the best that I can and I hope you understand  
After all, I'm just a man After all, I'm just a man  
That's all I am, baby I'm just a man
