

Eyesdown (Floating Points Remix)

Bonobo

Hands up
I got my eyes facing down
I'll show you where my tears come down
Slowly down
Hands up
I got my eyes facing down
I shudder when my tears come down
So slow down
Suddenly my tears come down
Slowly down
Hands up
I got my eyes facing down
I'll show you where my tears come down
Slowly down
Hands up
I got my eyes facing down
I'll show you where my tears come down
Slowly down
Hands up
I got my eyes facing down
I shudder when my tears come down
So slowly down
So slow down
