

Who's Laughing Now

Jessie J

Mummy they called me names
They wouldn't let me play
I'd run home, sit and cry almost everyday
Hey Jessica you look like an alien
With green skin you don't fit in this playpen

Oh they pulled my hair, they took away my chair
I'd keep it in and pretend that I didn't care
Hey Jessica you're so funny
You've got teeth just like bugs bunny

Oh so you think you know me now
Have you forgotten how you would make me feel
When you dragged my spirit down
But thank you for the pain
It made me raise my game
And I'm still rising, I'm still rising - Yeah, Yeah

So make your jokes, go for broke
Blow you're smoke you're not alone
But who's laughing now - But who's laughing now
So raise the bar, hit me hard
Play you're cards, be a star
But who's laughing now - But who's laughing now

Cuz' I'm in LA you think I've made my fame
FB makes us friends when you only really know my name
Oh Jessie we knew you could make it
I've got a track and I'd love you to take it

So now because I'm singed you think my pockets lined
Four years now and I'm still waiting in the line
Oh Jessie I saw you on YouTube
I tagged old photos from when we was at school

Oh so you think you know me now
Have you forgotten how you would make me feel
When you dragged my spirit down
But thank you for the pain
It made me raise my game

And I'm still rising, I'm still rising - Yeah, Yeah

So make your jokes, go for broke
Blow you're smoke you're not alone
But who's laughing now - But who's laughing now
So raise the bar, hit me hard
Play you're cards, be a star
But who's laughing now - But who's laughing now

Jessie she broke outta the box
Swallowed your pride you got that ego cough
Let the haters hate, you're like way too late
Click click to see I got a message from you
Holla I'm proud of you
Oh my God babe your voice is like wow
My reply who's laughing now

Oh so you think you know me now
Have you forgotten how you would make me feel
When you dragged my spirit down
But thank you for the pain
It made me raise my game
And I'm still rising, I'm still rising - Yeah, Yeah

So make your jokes, go for broke
Blow you're smoke you're not alone
But who's laughing now - But who's laughing now
So raise the bar, hit me hard
Play you're cards, be a star
But who's laughing now - But who's laughing now

So make your jokes, go for broke
Blow you're smoke you're not alone
But who's laughing now - But who's laughing now
So raise the bar, hit me hard
Play you're cards, be a star
But who's laughing now - But who's laughing now

Who's laughing - laughing now (x6)
