

# Swing of the Axe

## Possessed

Lyrics : JB Music : MT

Ripping tearing slashing the axe  
Blood Starts to flow the axe of pain  
Running for safety eyes start to bleed  
Red is the sight of evil pain  
Swing of the axe the curse is on you  
Returning to take you away  
Swing of the axe your evil deeds  
Friend of satan he will succeed  
You had your choice, You chose  
Your ways  
You took the devil he's wrong  
Your mind is mistaken, your soul has been  
Taken  
Your Brain's Been Twisted and lost  
I can See the river of Flames where  
You'll be cast and thrown  
Heavens of fire at satan's desire  
Hell is now your home  
Sin after sin your Brains are  
Crushed in  
This is the way That you want  
Wrong from the start, you  
Weren't so Smart  
Making the choice that will haunt
