Shame On the Moon

[Rodney Crowell](#)

Till you've been beside a man
You don't know what he wants
You don't know if he cries at night
You don't know if he don'tWhen nothin' comes easy
Old nightmares are real
Until you've been beside a man
You don't know how he feelsOnce inside a woman's heart
A man must keep his head
Heaven opens up a door
Where angels fear to treadSome men go crazy
Some men go slow
Some men go just where they want
Some men never goOoh, blame it on midnight
Uh, shame on the moonEverywhere it's all around
Comfort in a crowd
Strangers faces all about
Laughin' right out loudHey, watch where you're goin'
Step light on your toes
Until you've been beside a man
You don't know who he knowsOoh, blame it on midnight
Uh, shame on the moonOoh, blame it on midnight
Uh, shame on the moon
