

# In Passing

## Scribbletronics

One time  
We were  
In passing  
I watched  
The future

Swirling 'round, around my head  
And this is how it went  
You and I both alone sat  
Waiting in lines too long to comprehend  
We both sat waiting in lines

For the rest of our lives  
You-whooo-ooooh  
Forever and after we went on forever  
One time

You were  
Inhaling  
I saw  
The smoke went  
Whirling 'round your heedless head  
You bore me to my death  
You and I both alone sat  
Waiting in lines too long to comprehend  
We both sat waiting in lines

For the rest of our lives  
You-whooo-ooooh  
Forever and after we went on forever  
I prefer to sleep alone

I prefer to stay right here  
Don't come searching  
I prefer the windows up  
I prefer the fresher air

And for the record  
You-whooo-ooooh  
Forever and after we went on forever  
And after we went on forever  
And after we went on forever
