

Daylight In Your Eyes

Stefan Raab & Herb & The Heavytones

Wanna know you better
wanna push you baby but never too far
wanna show you heaven
wanna be like you just as strong as you areI wanna be daylight in your eyes
I wanna be sunlight only warmer
I wanna be daylight in your eyes
I wanna be loved only stronger
I wanna be daylightWanna live forever
wanna touch your hand and explode like a star
wanna stand beside you
always be together wherever you areI wanna be daylight in your eyes
I wanna be sunlight only warmer
I wanna be daylight in your eyes
I wanna be loved only stronger
I wanna be daylight in your eyes
I wanna be sunlight only warmer
I wanna be daylightWanna know you better
wanna push you baby but never too far
wanna live forever
wanna be like you just as weak as you are
weak as you areI wanna be daylight in your eyes
I wanna be sunlight only warmer
I wanna be daylight in your eyes
I wanna be loved only stronger
I wanna be daylight in your eyes
I wanna be sunlight only warmer
I wanna be daylight(Daylight) I see it in your eyes
(daylight) I wanna be
just you and me
for all eternity.....

(daylight in your eyes, in your eyes, in your eyes)I wanna be daylight in your eyes
I wanna be sunlight only warmer
I wanna be daylight in your eyes
I wanna be loved only stronger
I wanna be daylight in your eyes
I wanna be sunlight only warmer
I wanna be daylightDaylight
I see it in your eyes
