I Like To Dance

Hot Chelle Rae

Click clack shimmer 'n shine
Everybody's in a line now
Dressed up to the nines now babySilver, shiny, sexy, it's love and
The music's playing so loud
Disco balls and big crowds babyHer eyes, they tell me what I need to know
Your touch tells me where I need to go
My lead will make you wanna get so closeWell I like to dance
So if you do just get on the floor
Forget the romance
This is what music was created for
So find someone hot
And if you're not it doesn't matter
Baby, take what you got
And just go dancing you'll feel betterI like to dance
I like to (dance, dance, dance, dance)Lovesick electric sex thoughts
Are flying all around me
He said, she said "let's leave" babyFashion lives alive in her dress
And our eyes'll never leave her
The song creates a fever babyHer eyes, they tell me what I need to know
Your touch tells me where I need to go
My lead will make you wanna get so closeWell I like to dance
So if you do just get on the floor
Forget the romance
This is what music was created for
So find someone hot
And if you're not it doesn't matter
Baby, take what you got
And just go dancing you'll feel betterLovesick, lovesick, electric
Lovesick, lovesick, electric
Lovesick, lovesick, electricI like to dance
I like to dance
I like to dance
I like to danceWell I like to dance
So if you do just get on the floor
Forget the romance
This is what music was created for
So find someone hot
And if you're not it doesn't matter

Baby take what you got
And just go dancing you'll feel betterWell I like to dance
So if you do just get on the floor
Forget the romance
This is what music was created for
So find someone hot
And if you're not it doesn't matter
Baby take what you got
And just go dancing you'll feel betterLovesick, lovesick, electric!
