

Interlude (feat. Cedric the Entertainer)

Nelly

Goin' good, hold up, get off me real quick
I'm tryin' to holla at my dog real fast.
Hey, hey Nelly what's up dog, this Ced The Entertainer boy,
I'm at a wild little party, Dog, hey get back at me
I'm trying to holla at you about the album now
I'm a talk to all of y'all.
Big League, Kyuan, Little T, City Spud, my homies.
What's up man, you need to get at me I need to be on this album player,
I'm tryin' to blow up with ya,
S.T.L. y'all get back at me alright?
Just call me.
