All Cried Out

Denine

I stayed up cryin' all night
I knew the end was in sight
And now you're walkin' out on me
You're wonderin' where the little tears can be
Well, baby, I'm all cried out, I'm all cried out
All my little tears are all dried out, oh, yeah
Now, that you say we're through
I'm all cried out over you
Last night, I knew we were through
It hurt 'cause I still loved you
Went home and couldn't fall asleep
'Cause sleep just won't come into eyes that weep
And that's why I'm all cried out, I'm all cried out
All my little tears are all dried out, oh, yeah
Now that you say we're through
I'm all cried out over you, oh, yeah
I'm all cried out
I just can't stop no more, no, no
No, no, no, no, oh
All cried out
And that's why, I'm all cried out
Yes, I'm all cried out
All my little tears are all dried out, oh, yeah
Now that you say we're through
I'm all cried out over you
Listen to me when I'ma gonna say
I'm all cried out, yeah, over you
Listen to me when I'ma tellin' you
I'm all cried out, yeah, over you, over you
