The Yabba

Battles

The name is Yoshimi
She's a black belt in karate
Working for the city
She has to discipline her body'Cause she knows that
It's demanding to defeat those evil machines
I know she can beat themOh, Yoshimi, they don't believe me
But you won't let those robots eat me
Yoshimi, they don't believe me
But you won't let those robots defeat meThose evil natured robots
They're programmed to destroy us
She's gotta be strong to fight them
So she's taking lots of vitamins'Cause she knows that
It'd be tragic if those evil robots win
I know she can beat themOh, Yoshimi, they don't believe me
But you won't let those robots defeat me
Yoshimi, they don't believe me
But you won't let those robots eat me, Yoshimi'Cause she knows that
It'd be tragic if those evil robots win
Yeah, I know she can beat themOh, Yoshimi, they don't believe me
But you won't let those robots defeat me
Yoshimi, they don't believe me
But you won't let those robots defeat meYoshimi, they don't believe me
But you won't let those robots eat me
Yoshimi, they don't believe me
But you won't let those robots eat me, Yoshimi
