

# Who's Gonna Fight For Me?

## Jojo

everybody got what they paid for tonight  
they just go on with their lives  
never feel the heat, the light  
I hate to see em walk away  
and home is where the bed lies, it aint right  
been wrestlin myself reachin out for help, for a long long time  
thinkin over, try gettin sober  
lookin round for somethin to hold onto  
if it's not a lover, who'll be my cover?

Chorus:

who's gonna fight for me?  
will anybody fight for the fighter?  
does anybody know where to find her?  
cuz maybe I just need a reminder, and noone's gonna rescue me  
I know I'm not just in it alone  
I've gotta learn to stand on my own  
cuz I'm the only one in? the way  
who's gonna fight for me?  
oh oh whoa oh oh whoa oh oh whoa  
yeah yeah

it's just me and my victory  
but what does it really mean?  
there's nobody around to see  
I'll never let em see me cry  
and what is the reason  
I keep on believin  
that I will find something to hold onto?  
if it's not a lover, who'll be my cover?

Chorus

it's over time that I feel it  
pushing me over my limit  
sometimes I wonder if I'm even meant to be in it  
well baby I'm not quitter  
so Imma stand with my chin up  
cuz at the end of the day  
I know that I'm gonna win it! yeah

Chorus 2x
