

Breakdown (A Long Way from Home)

Kris Kristofferson

The clubs are all closed and the ladies are leaving
There's nobody, nobody knows on the street
A few stranded souls standing cold at the station
And nowhere to go but to bed and to sleep Lord would you look at you now that you're here
Ain't you proud of your peers and the long way you've come?
All alone all the way on your own who's to say
That you've thrown it away for a song
Boy you've sure come a long way from home So it's so long, so many, so far behind you
Fair weather friends that you no longer know
You still got the same lonely songs to remind you
Of someone you seemed to be so long ago Lord would you look at you now that you're here
Ain't you proud of your peers and the long way you've come?
All alone all the way on your own who's to say
That you've thrown it away for a song
Boy you've sure come a long way from home
