

# Say Something

## Haven

I won't say anything 'cause I don't mean it  
Won't make a promise 'cause I won't keep it  
Believe me now, I'd only lie to you Well I've said that thought a thousand times  
I believe in something that I can't find  
So believe me now, I'd only lie to you [Chorus]  
Now won't you say something  
Please say something  
And believe me now, I'd only lie to you I spend my time collecting all these scars  
And I know I'm, lying by the truth that's in your charm  
I hope down inside, I can't be what I'm not Well I've said that thought a thousand times  
I believe in something that I can't find  
So believe me now, I'd only lie to you [Chorus: x2]
