

No Cars Go

Arcade Fire

We know a place where no planes go
We know a place where no ships goHey, no cars go
Hey, no cars go
Where we knowWe know a place no space ships go
We know a place where no subs goHey, no cars go
Hey, no cars go
Where we knowHey
Hey
Mom, Dad
No goHey, us kids know
Hey, no cars go
Where we knowBetween the click of the light and the start of the dream
Between the click of the light and the start of the dream
Between the click of the light and the start of the dream
Between the click of the light and the start of the dreamI don't want any pushing, and I don't want any shoving
We're gonna do this in an orderly mannerWomen and children
Women and childrenWomen and children
Let's goOld folks
Let's goDon't know where we're going
Let's go
