

Buy Me a Boat

Chris Janson

I ain't rich, but I damn sure wanna be
Working like a dog all day, ain't working for me
I wish I had a rich uncle that'd kick the bucket
And that I was sitting on a pile like Warren Buffett
I know everybody says money can't buy happiness But it could buy me a boat
It could buy me a truck to pull it
It could buy me a Yeti 110 iced down with some Silver Bullets
Yeah, I know what they say, money can't buy everything
Well, maybe so
But it can buy me a boat They call me redneck, white trash and blue collar
I could change all that if I had a couple million dollars
I keep hearing money is the root of all evils
And you can't fit a camel through the eye of a needle
I'm sure that's probably true, but it still sounds pretty cool 'Cause it could buy me a boat
It could buy me a truck to pull it
It could buy me a Yeti 110 iced down with some silver bullets
Yeah, I know what they say, money can't buy everything
Well, maybe so
But it can buy me a boat To float down on the water with a beer
I hear the Powerball Lotto is sitting' on a hundred mil'
Well, that would buy me a brand new rod and reel And it could buy me a boat
It could buy me a truck to pull it
It could buy me a Yeti 110 iced down with some Silver Bullets
Yeah, I know what they say, money can't buy everything
Well, maybe so
But it could buy me a boat Yeah, I know what they say, money can't buy everything
Well, maybe so
But it could buy me a boat
It could buy me a boat
