

# Lay Up Under Me

Advisory - the following lyrics contain explicit language:

I was just thinking  
Maybe I could just come over tonight  
And spend a little time with you Eh, I was out shopping, thinking of something I should get you  
'Cause I've been gone so many weeks, damn, I miss you  
Don't wanna do nothing more but just to stare in your face  
Let you know I'm so happy, you're my best friend Part of this fortune, girl, I owe you  
For being always here to talk to  
Take time out, starting with today, for my babe We're gonna hit the floor at home  
(Slow dance naked, babe)  
Gonna let those candles be your light tonight  
(Kiss your favorite place) Girl, I'ma DJ all your songs  
(Rock your party for you)  
You ain't gotta worry 'bout a club  
Just come on, lay up under me tonight Eh, girl, you know just how I do it, I'm on the way  
And you know when it comes to my lady, I bring my best  
I'm gonna be so on it tonight  
Don't worry about a club, just come on, lay up under me tonight You've been having car trouble, here's your  
new keys I got you  
Remember that's your dream car, girl, now your dream is true  
Two years together, nothing you've asked me for  
That says a lot about you, no doubt about it, for you anything I'd do We're gonna hit the floor at home  
(Slow dance naked, babe)  
Gonna let those candles be your light tonight  
(Kiss your favorite place) Girl, I'ma DJ all your songs  
(Rock your party for you)  
You ain't gotta worry bout a club  
Just come on, lay up under me tonight We're gonna hit the floor at home  
(Slow dance naked, babe)  
Gonna let those candles be your light tonight  
(Kiss your favorite place) Girl, I'ma DJ all your songs  
(Rock your party for you)  
You ain't gotta worry bout a club

Just come on, lay up under me tonight  
Eh, girl, you know just how I do it, I'm on the way  
And you know when it comes to my lady, I bring my best  
I'm gonna be so on it tonight  
And it's gonna be obvious to see, is this where I wanna be  
Just let me look at you, oh, you wearing my favorite  
thing  
Just let me taste, girl, you already know in what way  
And if they don't know how much you're meaning to me  
Then you might just wanna flash them the ring  
Come here  
I just wanna take time to stare into your eyes  
And let you know how much I adore you and miss you  
And want you to see that tonight you're  
We're gonna hit the floor at home  
(Slow dance naked, babe)  
Gonna let those candles be your light tonight  
(Kiss your favorite place)  
Girl, I'ma DJ all your songs  
(Rock your party for you)  
You ain't gotta worry bout a club  
Just come on, lay up under me tonight  
We're gonna hit the floor at home  
(Slow dance naked, babe)  
Gonna let those candles be your light tonight  
(Kiss your favorite place)  
Girl, I'ma DJ all your songs  
(Rock your party for you)  
You ain't gotta worry bout a club  
Just come on, lay up under me tonight
