FALL IN THE DARK

GALNERYUS

You said, "Believe me please."
No way, don't get close to me, go away
You have no idea, alwaysKage dake ugomeku
Tada hitori odoru
Asu ga sukete mieruOmae no sono yume ja
Kono saki nani mo umarenai
Onore no genkai wo shiru dakeI don't wanna look at your face
You should go some other place
The time spent with you is disgraceKakehiki ga yureru
Tada hitori mo gaku
Asu ga sukete mieruOmae no ikikata ja
Mirai wa nanimo kawaranai
Onore no genkai wo shiru dakeThere is no time in your life
Fall in the dark
You do not know the truth of your life
Live in the dark
I will see the way to go
You understand
I hate you and you hate me soOmae no sono yume ja
Kono saki nani mo umarenai
Onore no genkai wo shiru dakeThere is no time in your life
Fall in the dark
You do not know the truth of your life
Live in the dark
I will see the way to go
You understand
I hate you and you hate me so
