[Fat Joe](#)

Advisory - the following lyrics contain explicit language:

Now you been holding me down
Hmm, for such a long time now
From back then 'till now in my story
Straight from the hood you've always been there for me And you had my back when they
Back when everybody said I wasn't anything
It was you that kept me holding on, no matter what was going on
So whatever you need I got you yeah Reminiscing that 6 train from way back
Now it's sky blue Phantoms and stretch Maybachs
For sweepin' them floors in them Bronx apartments
Mira esta que on the red carpet
When Pun died you was the first to call me
I never told you, but you was there for me
Whatever you need, I be there for you
Crack, I got ya back, for real, true story Now my loyalty will always be
With you if you just promise me
That you'll stay real just like you are
'Cause baby you don't have to change no You don't know how much you mean to me
Whenever your down you know that you can lean on me
No matter the situation, boy I'm gon' hold you down You don't know how much you mean to me
Whenever your down you know that you can lean on me
No matter the situation, girl I'm gon' hold you down Yo, 2005, Rakim and Jody Watley
Watch me paint a picture so perfect quite possibly
The realest freshest from BX to South beach
I'ma always hold you down, girl you can count on me So remember this whenever I call
We go back too far, we been through it all
Even though, we haven't spoken so long
Ain't nothing change, not a damn thing baby Now my loyalty will always be
With you if you just promise me
That you'll stay real just like you are
'Cause baby you don't have to change no ('cause you don't know) You don't know how much you mean to me
Whenever your down you know that you can lean on me
No matter the situation, boy I'm gon' hold you down You don't know how much you mean to me

Whenever your down you know that you can lean on me
No matter the situation, girl I'm gon' hold you down Like green is the autumn, some things must stay
This industry yeah I'm far to make me this way
Get between me and J-Lo, I simply stay
You better off sweepin' leaves on a windy day So I don't care about the situation
I'ma ride for you if there's a complication
'Cause every time you had my back and all
When we were young, now you're Joey crack and all
Now my loyalty will always be
With you if you just promise me
That you'll stay real just like you are
'Cause baby you don't have to change because You don't know how much you mean to me
Whenever you're down you know that you can lean on me
No matter the situation, boy I'm gon' hold you down You don't know how much you mean to me
Whenever you're down you know that you can lean on me
No matter the situation, girl I'm gon' hold you down You don't know how much you mean to me
Whenever you're down you know that you can lean on me
No matter the situation, I'm gon' hold you down You don't know how much you mean to me
Whenever you're down you know that you can lean on me
No matter the situation, I'm gon' hold you down Hold you down
Down, down
I'm gon' hold you down
Oh
You down
