

# Juggernaut (Built for Speed)

## Big Engine

Bad Blood  
Is Bitter Sweet  
Look out my window  
At dirty streets  
I hit the highway  
I take control  
Ready to rumble, ready to roll(I am) built for speed  
(Coming at you) coming right at you  
I wanna push you  
To your knees  
Sweet surrender  
Give me speed  
I get a vision  
No slowing down  
Get in the fast lane, get out of town
