Cream Puff War (Remastered)

Grateful Dead

No, no! She can't take your mind and leave
I know it's just another trick she's got up her sleeveI can't believe that she really wants you to die
After all it's more than enough to pay for your lieWait a minute, watch what you're doin' with your time
All the endless ruins of the past must stay behind, yeahWell, can't you see that you're killing each others soul
Well, you're both out in the streets and you got no place to go
