Romance & Devotion

William Control

Advisory - the following lyrics contain explicit language:

I ran through fields of lace
And feel as I am falling down
She knows I am a sinner
She paid with flesh and blood
The years of abuse have turned to love
And now I finally found her (and now I finally found her)
I've taken love in a new direction
She knows I am a sinner
I've taken love and internal lies
All from pain around her(She knows I am a sinner)Love! All I feel is your love!
I know I can't be wrong
Love! All I feel is your love!
Here comes the panicI'll hold you from the deepest hell on Earth and meaningless
and though I am a sinner (though I am a sinner)
I've taken love in a new direction
Where I can break your sorrow
I've taken love in and amplified
She knows I'm a sinner(She knows I am a sinner)Love! All I feel is your love!
Romance and devotion
Love! All I feel is your love!
I know I can't be wrong
Love! All I feel is your love!
Romance and devotion
Love! All I feel is your love!
Here comes the panicLove! All I feel is your love!
Romance and devotion
Love! All I feel is your love!
I know I can't be wrong
Love! All I feel is your love!
Romance and Devotion
Love! All I feel is your love! (oooooh)Sing like you mean it
Love like you mean it

Tell me I'm a sinner too
I've found
a brand new way of loving you
