Beautiful (feat. Wayne Brady)

Jim Brickman

From the Moment I saw you,
From the moment I looked into your eyes
There was something about you
I knew I knew
That you were once in a life time
A treasure near impossible to find
And I know how lucky I am to have youCause I've seen the rainbows that can take your breath away
The beauty of the setting sun that ends a perfect day
And when it comes to shooting stars, I've seen a few
But I've never seen anything, as beautiful as youHolding you in my arms
No one else has fit so perfectly
I could dance forever with you, with you
And at the stroke of midnight
Please forgive me if I can't let go
Cause I never dreamed I'd find a Cinderella of my ownCause I've seen the rainbows that can take your breath away
The beauty of the setting sun that ends a perfect day
And when it comes to shooting stars, I've seen a few
But I've never seen anything, as beautiful as youCause I've seen the rainbows that can take your breath away
The beauty of the setting sun that ends a perfect day
And when it comes to shooting stars, I've seen a few
But I've never seen anything
Oh oh, oh no, I've never seen anything, as beautiful as youFrom the moment I saw you,
From the moment I looked into your eyes
