

# I Like Your Kind Of Love

Andy Williams

Honey babe, ooo, honey babe  
Mmm, honey babe, I like your kind of love  
That's good, baby, that's good  
Honey babe, I like the way that you walk by  
I like the way you swing your eye  
I like your kind of love  
That's good, baby, that's good  
Every night, I like the way you beg for more  
And linger there outside the door  
I like your kind of love  
That's good, baby, that's good  
Well, well, well, ain't it swell?  
Can't reveal how I feel  
And no one else could ever thrill me like you do  
You make my every dream come true  
I like your kind of love  
That's good, baby, that's good  
Oh, honey babe, ooo, honey babe  
Mmm, honey babe, I like your kind of love  
That's good, baby, that's good  
Honey babe, I like the way you wear your clothes

My love for you just grows and grows  
I like your kind of love  
Honey, you know I do  
When you're near you don't know what you do to me  
And that's the way it oughta be  
I like your kind of love  
Honey, you know I do  
Don't you know that I love you so?  
Can't you see that you're for me  
Honey babe, I like the way you hold my hand  
To make me know you understand  
I like your kind of love  
Honey, you know I do  
Honey babe, ooo, honey babe  
Mmm, honey babe, I like your kind of love  
That's good, baby, that's good  
Ooo, honey babe, I like your kind of love

That's good, baby, that's good  
Mmm, honey babe, I like your kind of love  
That's good, baby, that's good
