

Hit Parade Of Love

[Rhonda Vincent](#)

From what I've been hearing dear you really got it made
You've got a lot of girls on your lovers hit parade
But if I could be your number one, well, I don't know what I'll do
I wanna be pulled up to the top I'm so in love with you On your hit parade of love I know I'll never stop
I've got a long long way to climb before I reach the top
But if I will get there soon I'll really have it made
Then I'll know I'm number one on your lover's hit parade Now if we can work together like all good lovers
should
We can make a go of it everything will turn out good
We can have so much fun we'll really have it made
Then I'll know I'm number one on your lover's hit parade On your hit parade of love I know I'll never stop
I've got a long long way to climb before I reach the top
But if I will get there soon I'll really have it made
Then I'll know I'm number one on your lover's hit parade
