Midnight Train

Steve Miller Band

Woooo oh oh oh oh ohh whoa
Woooo oh oh oh oh ohh whoa
In the middle of the night
You're all alone, no one is in sight
You don't have to worry, don't you be sad
Cause I'm the best friend that you ever hadYou know you really got nothin' to lose
Just pick up the phone and get rid of those bluesComing to you baby on a midnight train
I'll be knocking on your door, I'll be calling out your name
You don't need to worry, it'll be alright
Cause the midnight train is coming to ya by the morning lightWoooo oh oh oh oh ohh whoa
Woooo oh oh oh oh ohh whoa
Woooo oh oh oh oh ohh whoa
Woooo oh oh oh oh ohh whoaWhen you're miles away and you're far from home
Don't you feel down, don't you feel alone
It doesn't matter what you're going through
Just remember I'll be there for youYou know you really got nothing to lose
Just pick up the phone and get rid of those bluesComing to you baby on a midnight train
I'll be knocking on your door, I'll be calling out your name
You don't need to worry, it'll be alright
Cause the midnight train is coming to ya by the morning lightWoooo oh oh oh oh ohh whoa
Woooo oh oh oh oh ohh whoa
Woooo oh oh oh oh ohh whoa
Woooo oh oh oh oh ohh whoaAs time passes, passes us by
We're in the light for a blink of an eye
It ain't no lie, you know that it's true
Pick up the phone and I'll be there for youYou know you really got nothing to lose
Just pick up the phone and get rid of those bluesComing to you baby on a midnight train
I'll be knocking on your door, I'll be calling out your name
You don't need to worry, it'll be alright
Cause the midnight train is coming to ya tonightComing to you baby on a midnight train
I'll be knocking on your door, I'll be calling out your nameComing to you baby on a midnight train
I'll be knocking on your door, I'll be calling out your nameComing to you baby on a midnight train
I'll be knocking on your door, I'll be calling out your
name----------
