Brand New

Gtp

Look, my girl ain't got snobby, stuntin' like her Daddy
Vroom on her Yamaha, she ride me like a Kawasaki
I call her little butter, sometimes I call her shorty
She only wears dresses, she sleep in Ed Hardy, ya dig?
It's young Weezy, the 80's baby
And we can get together make 80 babies
Now the house, brand new, the car brand new
But you're still the same old you
And that's why I love you
Girl, from the moment that I saw you
I knew you were the one
Though we didn't have a lot of money
We still had so much fun
(So much fun)
No matter where you are
You'll always be my superstar
If it wasn't for your love
I'd truly not have gone this far
I'm proud of you baby
?Cause you never got brand new
You, baby
'Cause you never got brand new
I remember livin' in the projects
I remember spendin' welfare checks
That?s something you never never forget
How could I abandon you now?
You'll always be a superstar
You will always be
No matter where you are
My heart is never far
I?m proud of you baby
?Cause you never got brand new
You baby
?Cause you never got brand new
Oh baby, we came from nothing
And we turned it into something
And we never ever act like
We're too good, we too boozy for the hood life
Real recognize and you know this

When you with me in the streets or the showbiz
Now everybody know your name
Ain?t gon? be the same, but you?re still the same
You, yeah
'Cause you never got brand new
(All the money, ain?t changin? no)
You, you never got brand new
I?m proud of you baby
?Cause you never got brand new
