Women In Love

Liz McClarnon

March
You're breakin' my heart
Girl, you better start
Thinkin' somethin' real
Seems like
Loving you is just
A crazy dream
But do as you feelAll these crazy women
One more crazy night
But one night's all we're given
So baby leave me alone I'm pleading
(Aaa)
Baby, stay the night
(Oh, women in love)
Oh baby, make up your mind
(Make up your mind)
I know you're in love
(Oh, women in love)
So baby, make up your mind
(Women in love)Scream
Go on an' scream
That you love
Is all you're knowin'
But honey
(Aaa)
If you needin' a woman
Just as bad as me
(Aaa)
Ya oughta be goin'All these crazy women
Ah just
One more crazy night
But one night's all we're given
So honey leave me alone I'm pleading
(Aaa)
(Oh ah)
Baby, stay in the nightAll these crazy women
Ah just
One more crazy night
But one night's all we're given

So honey leave me alone
(Aaa)
Or lady,you're stayin' the night
(Oh, women in love)
Mm baby, make up your mind
(Make up your mind)
And I know you're in love
(Oh, women in love)
Mm babe, I know you're in love
(Women in love)
I know, I knowOoh yeah
This woman in love
In love
In love
Ooh yeah
Ah ah han
Han han han
Ooh yeah
