Without Your Love

Mr. Naps

It happens all the time, all you girls are the same
I put my heart out on the line and you just walk away
What am I to do if I can't live with or without you?
I'm all alone, confused
What am I to do without your love?
What am I to say without your love?
The things we used to do
I can't get over you without your love
I guess I'll play the fool, I always play the fool
Sad but true, I gotta learn to play the game
I've lost all my pride and shame
What am I to do if I can't live with or without you?
I'm all alone, confused
What am I to do without your love?
What am I to say without your love?
The things we used to do
I can't get over you without your love
What am I to do if I can't live with or without you?
I'm all alone, confused
What am I to do without your love?
What am I to say without your love?
The things we used to do
I can't get over you without your love
