# Why Him? (feat. Moira Dela Torre)

## Nieman

All I ever wanted was for you to be commited
I know I was acting distant
But I really was just waiting for you, you to come through
But I don't think that'll happen anytime soon
So please don't go on telling everybody it was easy
Oh the only difference was he was brave enough to tell me
Even when I was waiting for you
I never meant to be unfair
I just wanted you to care
