

# In Love With Yourself

## Liz Phair

He came over to my house  
Didn't even knock, he just walked inside  
And when I didn't want to talk  
He said, 'Oh God, what a lot of bullshit.'

Don't be so in love with yourself  
Don't be so in love with yourself  
Don't be so in love with yourself 'cause I'm not  
Don't you know I'm not?

And I said, 'You've got a lot of nerve  
Coming here after all of the times  
That you've tried to pull the wool  
Over my eyes and my ears and nose and mouth and'

Don't be so in love with yourself  
Don't be so in love with yourself  
Don't be so in love with yourself 'cause I'm not  
Don't you know I'm not?

And he said, 'You've got a lot of nerve  
Painting me like I'm the villain.  
What about all of those words, like 'he's just a friend'?  
Oh God, what a lot of bullshit'

Don't be so in love with yourself  
Don't be so in love with yourself  
Don't be so in love with yourself 'cause I'm not  
Don't you know I'm not?

And I said, 'You've got a lot of nerve,  
After all, it wasn't me who left.  
And now you're sleeping with that girl  
That you used to say that you have always hated.'

Don't be so in love with yourself  
Don't be so in love with yourself  
Don't be so in love with yourself 'cause I'm not  
Don't you know I'm not?

And we took off all of our clothes  
Had a lot of sex and then fell asleep  
And when I finally awoke  
I held him close and I whispered in his ear and said,  
'Don't be so in love with yourself  
Don't be so in love with yourself  
Don't be so in love with yourself 'cause I'm not  
Don't you know I'm not?'

And he said, 'I know, don't you think I know?'
