

I Don't Know

Jay Sean

(Jhene drop the vocals)
Five days since you,
Since you let me know
That you decided you
Boy you had me fooled
Got me twisted yo
With the average girl
Deal with me like that
You in another world
Thought you were the type
To love and treat me right
Boy I was wrong
Caught up in your ghetto hype
Try to play me out
Who ya dealin' with
It ain't me cuz you don't know me

Hook:

Do you really think you know me
What do I look like a puppet on a string
I think that you see yourself suddenly
You goin play me you don't know me
Cause I know me
(repeat hook)
I let you in my life

You try to pull me down
Almost fell for it
But boy I move too quick
Tell me what to do
I'm beyond my years
See I've been schooled
To these fakin' moves
Better get it straight
Cuz I know the rules
So don't question me
And try to run my base
It won't go that way
It will never go that way
Trust me when I say

You don't know me
Hook 2xs
I know you don't know me
Try to pull somethin' on me
Try to play games on me
I know you don't know me
I know you don't know me
Try to pull somethin' on me
Try to play games on me
I know you don't know me
Hook (7xs)
