Groovy Now

Color Me Badd

Free your mind for the journey
Close your eyes, got me burnin
I wanna give you good love, lay you down
Sexy young thing, groovy nowAnd I want your body, groovy now
Wanna freak that body, groovy now
Wanna sex your body, groovy now
Gonna rock that body, groovy nowTake your time, dont look back, baby
Sweet desire, heart attack mama
I wanna give you good love
Get it on, freaky young thing
And were groovin onAnd I want your body, groovy now
Wanna freak that body, groovy now
Wanna sex your body, groovy now
Gonna rock that body, groovy nowFree your mind were gonna take a journey
Close your eyes mama cause you got me burnin
