Kill City

The Stooges

Well, I live here in Kil City where the debris meets the sea
I live here in Kil City where the debris meets the sea
It's a playground for the rich but it's a loaded gun to meWell, I'm sick of keeping quiet and I am the wild boy
I'm sick of keeping quiet and I am the wild boy
But if I have to die here first, I'm gonna make some noiseGive it up, turn the boy loose
Give it up, turn the boy loose
Give it up, turn the boy loose
Turn that boy looseYeah, the scene is fascination, man and everything's for free
The scene is fascination, man and everything's for free
Until you wind up in some bathroom overdosed and on your kneesGive it up, turn the boy loose
Give it up, turn the boy loose
Give it up, turn the boy looseGive it up, turn the boy loose
Give it up, turn the boy loose
Give it up, turn the boy looseGive it up, turn the boy loose
Give it up, turn the boy loose
Give it up, turn the boy loose
