

Good Lovin' (Jeftuz Refix)

Blackstreet

Good lovin'
Unh..... yeah
Blackstreet coming back inches
We're getting 9-6
Kicking it live
I'm gonna do this with a little Chauncey Black style
Mmm.....
Listen..
My mama told me,
That there will be a day like this
I will run into someone,
Who will just knock me off my feet
That kind of woman,
Who will be right there for me
Never thought that it could be,
But now it's happening to me
I finally found someone
Who will give me all her affection
And I want to keep her right here next to me
Thinking about me and my lady
Giving her love all night and through the day
Getting that feelin'
All I want is good lovin' (ooohhhhhhhh)
Good lovin' in the mornin'
Good lovin' in the evenin' (oooohhhhhhhh)
We can do it 'till the break of dawn (break of dawn)
Cause you give me that feelin' (help me sing it)
I want to do it in the morning (oooohhhhhhhhooooooooo)
Let's do it in the evening time (all night long)
We can do it anywhere you want (baby, yeh)
Just give me good
Just give me good lovin'
I remember
Just messin' around
With all of them men an' all
Didn't really care for
But this special woman
Really made a difference in me
And I want to be the best man I can be

And she will see
It may be time when we're apart from each other (each other)
But my girl she knows and I know it's alright
Pick up the phone
Give her a call
A few minutes later,
She's knocking at my door
Now I'm getting that feelin' (feelin')
All I want is good lovin' (ooooohhhhhh)
Good lovin' in the mornin' (baby)
Good lovin' in the evenin' (oohh baby)
We can do it 'till the the break of dawn (break of dawn)
Cause you give me that feelin' (all I want is good love)
We can do it in the mornin' (oh yeah)
Let's do it in the evening time (anywhere baby)
We can do it anywhere you want (anywhere)
Just give me good lovin' (ooooohhhhhh.... umh humh)
Now I finally found someone
To give me all of her affection (affection)
And she knows that I know it's alright (oh yeah)
Pick up the phone
Give her a call
A few minutes later,
She's knocking at my door
Now I'm getting that feelin' (feelin')
All I want is good lovin' (baby, all I want)
Good lovin' in the mornin' (yeah)
Good lovin' in the evenin' (it's all I want baby)
We can do it 'till the break of dawn (break of dawn)
Cause you give me that feelin' (all I really want is good lovin')
We can do it in the mornin' (ooooohhhhhh)
Let's do it in the evening time (in the evening time baby)
We can do it anywhere you want (baby, yeah)
Just give me good lovin' (ooooohhhhhh)
Good lovin' in the mornin' (c'mon, get me up)
Good lovin' in the evenin' (c'mon, do me right)
We can do it 'till the break of dawn (c'mon, get me up)
Cause you give me that feelin' (c'mon, do me right)
I want to do it in the mornin' (c'mon, get me up)
Let's do it in the evening time (c'mon, do me right)
We can do it anywhere you want (ooooohhhhhh ooooo)
Just give me good lovin' (ooooohhhhhh)
Good lovin' in the mornin' (c'mon, get me up)
Good lovin' in the evenin' (c'mon, do me right)
We can do it 'till the break of dawn (c'mon, get me up)

Cause you give me that feelin' (c'mon, do me right)
I want to do it in the morning' (c'mon, get me up)
Let's do it in the evening time (c'mon, do me right)
We can do it anywhere you want
Just give me good
Just give me good
Just give me good lovin'
